Dear McCade Siegel,

Phoenix United Athletics and Dragons Youth Football would like to extend our heartfelt thanks to you and Arizona Sports Donations for donating equipment to help our team this season!

With less disposable income for many families, they are being forced to choose between allowing their children to participate in sports they love and providing for their families. It is our goal to make youth sports accessible to all children. This can not be done without the generosity and support from individuals and corporate/community partners like you. Your donation and support has enabled some kids to play this seasons that may otherwise not have had the opportunity to do so.

There are invaluable physical and social benefits to playing youth sports. Many lessons learned through sports can't be taught, they must be experienced. These include the importance of teamwork, dedication, discipline, perseverance, developing a strong work ethic, and much more. It is our mission to provide opportunities to young men where they can develop these lasting life skills that they will take with them long after they leave our program. We are passionate about building a strong youth sports program for our community for years to come and we greatly appreciate the donations you have given to our organization!

Again, we thank you for your generous donation to our boys! Phoenix United Athletics appreciates your help enabling us to fulfill the hopes and dreams of the youth in our community!

Sincerely,
Phoenix United Athletics
